Example of Investment

Your deposit:	Tariff duration:	Daily income:
1000 CRO	7 days	20%

!!! You will receive not +40% to the deposit.
Remember about withdrawal fees.

!!! Principal deposit is non-refundable.

After 7 days without withdrawal every 6 hour:

- You'll make 3 withdrawal (it'll create 3 plans by reinvest);
- You'll get 1130 CRO in the first week;
- You also get passive income through reinvestment for the next week!

(?) You will receive an additional 5% during this period.

After 7 days with withdrawal every 6 hour:

- You`ll make 28 withdrawal (it`ll create 28 plans by reinvest);
- You`ll get 1190 CRO in the first week;
- You also get passive income through reinvestment for the next week!

(?) You will receive an additional ~10% during this period.

!!! In this case, if it`s not possible to make a withdrawal every 6 hours, then it is worth considering longer tariffs.
